

WSCA CONTRACT AMENDMENT #2("Amendment") to the

State of Utah Contract Number MA249 ("Contract") between

Division of Purchasing and General Services, an agency of the State of Utah (the "State") Representing the Western States Contracting Alliance (WSCA)

and

Satcom Global Inc. formerly known as World Communication Center Inc.

WHEREAS, WSCA and the State of Utah have agreed to allow the Contractor to provide the "satellite phone equipment including all products and services available in today's satellite services" as stated in the RFP scope of work,

NOW THEREFORE, WSCA and Contractor agree to amend the Contract as follows:

To include: WSCA is allowing Satcom Global to add Inmarsat & BGAN Equipment and service to assist need for more coordination in remote locations for data and internet access. Per the attached list of products, services and pricing.

This Amendment shall take precedence in the event of conflicting or inconsistent terms and conditions between this Amendment and the Contract. This Amendment shall commence on the date countersigned by an authorized representative of (Contractor). A signed copy of this Amendment shall be deemed an original.

The parties hereto cause this Amendment to be executed by their duly authorized representatives on the date(s) set forth below.

State of Utah Director of Purchasing

(Contractor)
