Re: Contract Extension of WSCA 7066 Agreement

Dear Ms Burchett,

On behalf of Grainger, we would like to thank the Western State Contracting Alliance (WSCA) for your patronage during the 2nd year of our contract. Grainger's is pleased to accept the first year of the contract extension. In an effort to continue to improve our products and services that we offer as a part of our contract, Grainger would like to announce the following changes of year three of the contract, as well as communicate changes related to the Grainger WSCA Market Basket

Price Summary Exhibit

Table with 3 columns: Change, Items Effected, Price Change. Rows include Discontinued Products on Market Basket, Price Increase on Market Basket, Price Decrease on Market Basket, No Price Change, Additional Most Commonly Purchased Items Saving based on 2006 and YTD 2007, and Net Price Savings on Market Basket product additions based on 2006 and YTD 2007 usage.

In addition, Grainger will continue to offer the heavily discounted, most commonly purchased items as a part the year one contract renewal. Grainger's Manufacturers Suggested List Priced (MSLP) discounts will be updated most current price catalogs. The manufacturers include General Electric Lighting, Advance Transformers, Dewalt Power Tools, Milwaukee Tools, Westward Tools and Stanley-Proto. Grainger looks forward to another successful year servicing the WSCA organization.

Thank you,

Grainger Senior Government Sales Manager
WSCA National Program Manager
